

Beer Cheese Dip

1 can beer (I like Lionshead)

1 8 ounce block of cream cheese

1/2 block of Shpoppy Shawn's Shmoked Cheese sliced thin or shredded (any flavor will do!)

3 cloves garlic chopped

3 to 5 green onions chopped

Simmer the first four ingredients for 30-35 minutes until thickened.

Add 3 to 5 green onions chopped to taste

Serve with soft pretzels bites or tortilla chips.

This dip is also great on chicken cheesesteaks or nachos!!
